PALM TREE FROND TRIMMING REMINDER

You must include removing dead palm fronds as part of your general monthly landscape maintenance. The fronds are not just unsightly, but can be a fire hazard as they can catch fire easily, detach from tree and be carried by the wind and spread fire embers to slopes and houses. It is imperative dead fronds are removed on a regular basis. Violation notices are sent to those that are not removing and may result in fines to their account.

ASSOCIATION PROJECTS

The Board has started the bidding process for the 4 year cycle to paint & repair the wrought iron fencing behind the lots on the *top* of a slope (down slope fencing is maintain by the homeowner) which may start after spring. Keep an eye on the newsletter and website for updates.

FIVE (5) PHASE SELECTIVE TREE REMOVAL: The selective tree removal and replacements will begin (weather permitting) soon. As noted in previous newsletters, the removals were decided because some of the trees installed by the Builder/Developer in the late 80's have clearly outgrown their space. Criteria was trees in clusters of (3) or more, tree canopies touching and have matured in size beyond the space they were planted. The Fire Authority recommends space between tree canopies, while balancing the aesthetics and soil preservation through the root systems. In addition, some trees in close proximity to owner yards as a preventive measure to mitigate tree root encroachment. The first phase of removals are 36 Pine trees behind Beechtree, Laureltree and Eveningsong with 15 replacement Podocarpus trees where space allowed. The goal is to complete the 5 phases of removal within 12 months, weather permitting. Removals are not based upon a view or leaf debris in yards. Reminder: Section 8.12 of CC&R's do not protect views.

DOG LEASH & WASTE PICK UP LAWS – *Orange County Regulation OCCO 4-1-45 requires that all dogs must be on leash; OCCO 4-1-50 owner must clean up feces. Keep our common areas clean and be considerate of your neighbors yards and pick up your pets waste/baggies and dispose of at your own home!*

HOUSE PAINTING REMINDERS

Please remember that you **MUST** submit an architectural application **PRIOR** to painting your home. There are 27 color schemes to choose from. You can review the schemes in color on the Association's website www.sycamorecanyonmasterhoa.org, where you can also download the Paint Application and the pre-filled out house paint diagram making submitting for painting easy. The schemes can also be reviewed at the Dunn Edwards Paint Store, 5725 E Santa Ana Canyon Rd, Anaheim, CA 92807 (657) 221-3009. **Please make sure you refer to the paint book binder dated October 2008.**

In order to save you money, there is an account under the Association's name, Sycamore Canyon Master, at the Dunn Edwards store. You will receive a 24% discount off the retail price for Dunn Edwards products, if you purchase from the aforementioned address location. **You must choose one structured scheme, and can NOT mix and match colors from other schemes or the application will be denied.**

FRESH PAINT ADDS CURB APPEAL: A 2020 resolution may be to paint your house, or the wood trim and garage door. Peeling wood trim, rusting wrought iron gates and faded garage doors age our community. Fresh paint is a simple way to maintain our curb appeal and home value. It is important to keep our community looking attractive in order to compete with new developments and home sales in Orange County.

2020 ANNUAL ELECTION OF THE BOARD OF DIRECTORS

The Annual Meeting and Election of the Board of Directors was not held on January 15, 2020 due to lack of quorum, with only 46 of the 256 ballots needed for quorum were received. The adjourned election will be held on February 5, 2020 prior to the Board meeting at 6:55 pm, at the Anaheim Community Center 8201 E. Santa Ana Canyon Rd. Anaheim. At that time 183 ballots will be needed to achieve quorum. If you have not sent in your ballot, please do so immediately to ensure quorum for the adjourned election. Thank you.
